# BOLAJI OLUWATOSIN AZEEZ
## PRODUCT DESIGNER

## OBJECTIVE

To obtain a challenging Product designing position where my creativity, problem-solving skills, and experience in designing engaging and user-friendly interfaces can be utilized to enhance user experiences and drive business objectives.

## EXPERIENCE

### KODE10X SOLUTION TECHNOLOGY LIMITED
**Product Designer**
May 2023 - September 2025

Managed the design team and worked hand to hand with the software development team. Created wireframes, prototypes, and high-fidelity mockups for a variety of web and mobile projects. Worked closely with clients, project manager and product manager to understand their needs and goals and translate them into effective design solutions.

### KADAMORA ESTATES
**Ui ux designer**
FEBUARY 2025 – MAY 2025

Led the redesign of the company's e-commerce platform, resulting in a 25% increase in sales. Conducted user research and usability testing to inform design decisions and improve the user experience. Collaborated with development teams to ensure designs were implemented accurately and efficiently.

### MID-VIEW HEALTHCARE [UK]
**Ui ux designer**
Dec 2023 - June 2024

Conducted user research and developed user personas to inform product design and development. Designed user flows, wireframes, and prototypes for a mobile app for healthcare workers in the United kingdom. Worked closely with the development team to ensure designs were implemented accurately and efficiently.
